EDUCATION COURSES

2017

High Resolution Anorectal Manometry (HRAM)

A practical course on lower GI function testing, with emphasis on High Resolution Anorectal Manometry (HRAM).

Location

Laborie Training Center
Enschede, The Netherlands

Course directors

Mark Scott, Emma Carrington

Date

November 15-17

Pediatric Motility Course

A practice-based course on Esophageal Manometry, Impedance-pH and Anorectal Manometry in children.

Location

Las Vegas, NV USA

Course director

Ajay Kaul

Date

April 28-29
